MANUFACTURER'S CERTIFICATION STATEMENT

Amarr Garage Doors, Inc. certifies that the Amarr-manufactured garage door products listed below are Eligible Building Envelope Components that qualify for a Federal Tax Credit under Section 25C of the Energy-Efficiency Improvements & Extension Act of 2008, as extended, amended and expanded by the American Recovery and Reinvestment Act of 2009. The door U-factor of each of these doors is below the 0.30 maximum when installed with a means of controlling air infiltration at the door perimeter (e.g. vinyl stop on sides and top and retainer with astragal on bottom).
